

# PHYSICS

## *Open House*

### Cardwell Hall

## *Hands-on Activities*

### **ENTRANCE CARDWELL HALL**

Physics is fun. Experience hands-on experiments that explore the laws of motion, sound waves, light, and more. You might not know it but physics is everywhere!

## *Lecture - 9:30 am*

### **144 CARDWELL HALL**

Hear University Distinguished Professor Bharat Ratra talk about "The Accelerating Expanding Universe: Dark Matter, Dark Energy & What Exactly is the Multiverse."

## *Demo Show - 12:30 pm*

### **103 CARDWELL HALL**

Enjoy non-stop action with University Distinguished Professor Chris Sorensen and physics students and staff as they put on exciting physics demonstrations.

**SATURDAY  
APRIL 1**

1228 N. Martin Luther King Jr. Dr.

(785) 532-6786

[www.phys.ksu.edu](http://www.phys.ksu.edu)

**FREE & OPEN TO THE PUBLIC**
