

# RESEARCH ASSOCIATE POSITION

## THEORETICAL ATOMIC AND SURFACE PHYSICS

### KANSAS STATE UNIVERSITY

Applicants must hold a Ph.D., should have a strong background in theoretical atomic or surface physics and in scientific computing, and are expected to vigorously participate in ongoing and emerging research projects on *time-resolved photonic interactions with atoms and surfaces*. The initial appointment will be for one year, but is renewable for a second and possibly third year. Screening of applicants will begin immediately, and this search will remain open until the position is filled. Send your cover letter, curriculum vitae, publication list, and arrange for three recommendation letters to be sent to: **Prof. Uwe Thumm, Department of Physics, Kansas State University, Manhattan, KS 66506-2601**. *Kansas State University is an affirmative action equal opportunity employer and actively seeks diversity among its employees.*
